

Lake Skadar: The Balkan's largest lake

A breathtaking karst lake shared with Montenegro – ideal for nature lovers and birdwatchers.

Belvedere Viewpoint: Wild mountain scenery

Sweeping views of the rugged highlands and surrounding villages.

Tamarë: The mountain village

One of the pearls of the Albanian Alps, where green landscapes and calm surroundings offer a moment to pause and recharge.

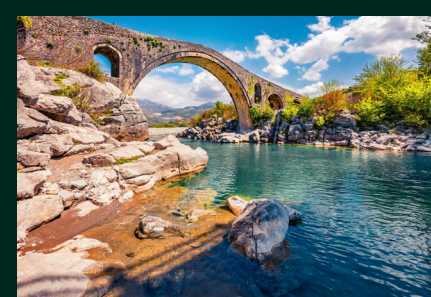

Shkodër: Cultural heart of northern Albania

The largest city in northern Albania, located at the confluence of three rivers.

Rozafa Castle: Myth, legend, and panoramic views

Perched above the rivers Buna and Drin, this ancient fortress opens a window into Albania's past.

Ura e Mesit: The historic bridge

A peaceful spot and cultural landmark from 1770.

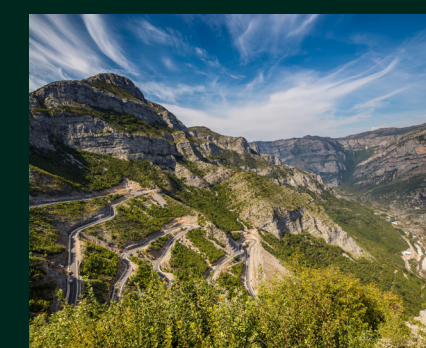

Theth: Living tradition in the Albanian Alps

A 400-year-old village encircled by steep ridges, home to stone houses and a small historic church dating back to 1892.

Qafa e Thores Pass: Touch the sky at 1,630 m

The highest point of the route, with breathtaking views across the peaks.

Rapsh Serpentine: Twists, turns, and unforgettable views

A spectacular mountain road offering beautiful scenery at every bend.
