

Production milestone: 1 million Škoda Karoqs built

The Karoq is a key model in Škoda's SUV line-up

Karoq at a glance

The Karoq is available with efficient engines from the Volkswagen Group's **EVO generation**

Accounting for a third of Karoq sales, the **Sportline version** features black styling details and wheels up to 19 inches

The Karoq has received **numerous awards**, including the Red Dot Award for design, the 2018 Czech Car of the Year title and the Best Value Family SUV award at the 2023 *What Car?* Awards

The **Kvasiny plant** is the Karoq's main production site, with capacity to build more than 300,000 vehicles a year

The Karoq's successor will be unveiled at **the turn of 2027 and 2028**
